

## Sunshine Committee

Help us carry the message.

**The Sunshine Committee** is a District 7 sponsored service, composed of AA members who are willing to take a meeting to fellow AA's currently in hospitals, nursing homes or are home-bound, and wish to have a meeting come to them.

**How it works:** Committee members organize to take a meeting where it is requested. If you are interested in being on the Sunshine Committee or if you need a meeting brought to you please call Paul B. at 541-226-7827
