Sharing on the panel were Steve P (district 7), Joey (treatment and bridging the gap, outreach, CPC) Kathy T. (Central office volunteers) launie(GSR) Jen (josephine county intergroup and webservant), and JeanneMarie (PI). The presentation was very informal and there was good interaction contributed \$25 pamphlets focused on service and AA structure. A years subscription to grapevine (district donation) and literature gift certificate (intergroup donation) were raffled.

Intergroup is the recycle committee at roundup. I've scheduled the recycle racks and bags (official name is clear stream). We are responsible to pick up and return the racks. We also need to plan how/where to collect all the recyclables and get them to the bottle drop.

They are going to be doing a silent auction of themed baskets at spring fling and are hoping they can get groups to donate baskets.
