Our Bottle drop balance is \$81.20 Bottle drop is changing their policy effective October 1st. Instead of 2 bags per day, there is no per day limit. However we are limited to 15 bags per 90 day period. This probably will not be an issue except possibly around round up.

Preparations are in progress for presence at the senior fair on Friday Sept. 20th and the recovery fair Tuesday Sept. 24th. We will give away pamphlets mostly targeted at the "mature dance" on Friday and sell books (large printed versions were popular last year). JeanMarie, Janet and I are scheduled. For Tuesday, Sarah C. and Kelly will be at Parkway Cristian for the recovery fair. Likewise they will give away pamphlets targeted at all ages but particularly the younger people in recovery and "problems other than alcohol". PI requested funding for pamphlets and district 7 approved, so there is no financial impact to central office.

Many safety “yellow cards” were donated to Hi-Lo club and various meetings as a means of helping with “damage control” in response to an unfortunate incident at the hi-lo club on August 27th. A statement was provided at the desk to support volunteers if people called or came in asking questions. Please encourage your groups to circulate the yellow cards (available at no charge) and understand safety in AA. Also attend safety workshop meetings on the third Tuesday of the month thru December at 7pm at the Newman Methodist church.
