**Treasurer Report:** No report given, treasurer not present

**Treatment committee:** report given by Joey S. No updates. Still no responses from counselors at any treatment centers.

**JOCO Intergroup:** report given by Jen. Central Office is targeting reopening on Monday June 8, 2020. It is up to the volunteers if they would be okay with going into the office. They have hand sanitizer, gloves, and have markings on floor to follow social distancing. Meetings on website are as up to date as Central Office is aware of. Please have any updates of meeting statuses sent to Central Office so they can update website. Central Office manager position is open.

**PI Committee:** No report given, no committee members present

**GSR Reports:**

*Looking Forward Group:* Report given by Sadie. Our two meetings a week have doubled. They are hosting Zoom and in person meeting. She will be attending the Assembly this weekend over Zoom.

*Easy Does It:* Report given by David. He is excited for upcoming Virtual Assembly. Meeting live at the HiLo club.

*Women's Safe Haven:* Report given by Jacque. New chairperson was voted in at tonight's meeting. Attendance average around 20. Still continuing Zoom meetings.

**Old Business:** Open positions: Treatment, CPC, alternate district positions. ADHOC committee is complete, it just needs to be finalized for presenting it. Terre is present because she is interested in ACCESS committee and taking over Sunshine Committee. The focus is people who are homebound and in nursing homes to have access to Zoom meetings. Funding for Zoom platform accounts for any homebound meetings. The Homebound meetings are going good and they have found three secretaries to help with the meetings.

**New Business:** Terre is appointed to taking the ACCESS committee and Sunshine Committee position. Joey needs to check with Debbie on setting up the Zoom account with DCM account, they have been unable to meet. Virtual Assembly would like DCMs to have open side meeting for side conversations and voting. Options can be by email, text, Skype, or google meetings. Sadie would like to avoid text as an option but is open to google meetings. Steve wants to make sure everyone has an agenda for the weekend; he doesn't have a preference of which option. Joey is going to test a google meeting with Steve prior to Assembly. Joey would like to text the link for Virtual Assembly to everyone. Joey put contact info in the chat for everyone to have access.

No further business.

Steve made motion to close the business meeting. Sadie seconded the motion. Motion passed unanimously.

Meeting closed at 7:33 PM with the “Responsibility Statement”
