**GSR Reports:**

*Women's Safe Haven:* Report given by Jackie. They meet on Tuesday nights on Zoom. There was 26 people at tonight's meeting. No changes.

*Looking Forward Group:* Report given by Jeri. Still meeting by Zoom. Jeri stepped into the position again because the person who was in the service position needed to leave. This meeting meets on Saturday and Thursday mornings, Thursday is a smaller group but steady. Saturday is doing really well. The only difference is closures have deterred some members from attending by Zoom. They are thinking about continuing to meet four times a week once things open up again. Jeri is glad to be back. She attended the area assembly and she said it felt like coming home, it was wonderful.

*12 and 12 Book Study:* Report given by Denise. Because of health reasons she has not attended the meeting for the last few weeks. She said the meeting tends to get smaller when they get into the traditions. They started reading the long version of the traditions in the back of the book and reading it from the Language of the Heart which has had a lot more dialogue. They meet monthly for business meetings.

**Old Business:** Restarting budget committee. Now that the bank is all settled and updated, they can move forward with the budget committee. Crystal is still willing to help, Steve said he is willing to help as well, Brianna and Mary will be a part of the committee as well. Steve is still looking into how to spread the

message that A.A. is still holding meetings to anyone who may not be aware. He will have info next week. Brianna on 2-1-1 database, will get that going and have it done by the next business meeting.

**New Business:** Joey said we have info from the pre-conference assembly for the GSRs so they can get it out to their groups, and get it voted on. They need to get a meeting together to discuss this information that needs to be passed along, it cannot be given in written form. Joey would like to get dates together for this meeting and is welcoming volunteers in getting this meeting arranged. Steve said he will help. Joey will send the email soon and asks everyone to send it out to GSRs to get it to as many groups as possible. Crystal wants to know if there is interest in a 7th tradition workshop. She recently participated in one and found it to be really helpful and interesting. She was thinking the end of March or the beginning of April and will be approximately one hour by Zoom. Jeri said she thinks it would be fantastic especially if we can get people to come to the event. She said we have a lot of resources and information available to A.A. members but they do not access this info. Crystal wanted to let District 16 know and see if they would be willing to go. She wanted to know if weekend or week night would be better and Brianna said weekend would be good. She is going to start planning and will update us.

No further business. Denise made a motion to close the meeting. Suzanne seconded the motion. Motion passed unanimously.

Meeting closed at 7:49 pm with the Responsibility statement.
