Marathon meetings and new easy does it noon zoom on Sundays

Shana - Literature

Having trouble tracking down our order, we have a lot of books on backorder, all As Bill Sees It, she's hopeful they will show up. Pretty big order pending for David to receive a debit card.

Christine - Events

Lots going on, Marathon Meetings catherine helped get things going on web, due to covid restrictions we decided to do zoom only, but some questions have come up about doing some hybrid meetings via small groups, and then hilo club called a few days ago and they explained that they are doing their own in person marathon meetings. Not sure what we should do with that. Our zoom marathon has several slots open. She has some concerns if there are too many people in a room and people associate AA with violating rules.

- Discussion: Shawn was at Thursday winners tonight and they announced that there would be marathon meetings at hilo but that's it, he doesn't think we can do anything about it and doesn't think we should do anything about it. Steve, let's just carry on with our Zoom plans.

Spring Fling - Christine Continued

We were informed we may need a bigger venue, the fairgrounds has a building that can hold up to 350 people. Rent is \$440 for the whole day. Refundable cleaning deposit of \$500. Would also like us to have event insurance. March 26 or the Saturday following. They would supply 40 tables of what sizes we want and set up how we want and 320 chairs. 5am - 11pm. There's room to spread out. She would love us to be able to do this.

Requests \$440 and \$500 plus event insurance for March 26. Rabi says it sounds good. Shana, doesn't AA or district or intergroup have insurance? Steve, maybe Area has some coverage. That might be a good place to start.
